This includes applications made singly or in collaboration with other applicants. These terms and conditions apply to requests to fund the project named in the funding application and confirmed in the grant offer letter (GOL).
- 1.4 You will receive a GOL confirming any specific conditions of the award that you must comply with, in addition to these terms and conditions. You must agree to these specific conditions before your project can start.

- 2.1.2 limit our liability to the amount of grant payable for which you can provide evidence of eligible costs incurred and defrayed, provided you are not in breach of its terms

- 2.2 This agreement is subject to the laws of England and Wales. The grant cannot be used for any political or lobbying activity, or for any purpose other than the project or the purpose described or referred to in the GOL.

8.2 Successful and unsuccessful applicants must give us, and any data-sharing partner we appoint, any information we need to create an evaluation report. For successful applicants this will be during the term of the grant and for a further period as specified in your GOL.

9. Ownership

9.1 Innovate UK has awarded this grant on the basis of the ownership details provided in your application.

If ownership of the company changes during the course of the grant funded project, Innovate UK has the right to suspend or terminate the grant and to recover the value of all grant monies paid from the beginning of the project. Also, failure to disclose a change in ownership may result in the suspension or termination of a grant.

9.2 Where Innovate UK has reasonable grounds for believing that a grant funded project presents a risk to UK national security or national interests more generally, Innovate UK shall have the right to suspend or terminate that grant without further notice.

10. Payment of grant

10.1 You must provide evidence to Innovate UK through the Innovation funding service (IFS) for each grant claim. Innovate UK reserves the right to request further evidence to support the claim.

10.2 Your claim may need to be supported by an independent accountant's report as set out in section 13.4 below.

10.3 You are required to have a time recording arrangement which allows you to accurately record time charged to Innovate UK projects. All labour claims must be supported by a time recording arrangement which includes:

10.3.1 the date and number of hours worked per day

10.3.2 start and finish time

10.3.3 a brief description of the work completed and associated work package(s)

10.3.4 the name of the staff member completing the task

10.3.5 the relevant hourly rate

10.4 Innovate UK will normally pay the grant within 30 days unless we need further information to support the claim. We agree to raise requests for further information if needed, within 14 days of receiving the claim.

- 10.6 You are responsible for maintaining detailed records and documentation relating to the use of your grant, including timesheets, invoices and other documents.
- 10.7 The time recording system should clearly show when, who and what has been carried out by employees.
- 10.8 These records must be kept for 10 years following your receipt of the grant and must be supplied to satisfy requests for evidence of compliance within 20 days if requested.

Grant recipients should be open and transparent and must provide additional information if asked. For example, this may include details of staff contributing to the project, or the nature of the relationship between the consortium members.

- 10.9 Where you use subcontractors, we reserve the right to request further information and conduct further checks. Any relationship between the funded project partner and subcontractor must be declared. The lead project partner must be able to demonstrate that value for money is obtained in the procurement of goods, services or works funded by the grant.

Any participant in the procurement process must act with the same or greater care and attention that they would if it was their own money. A project partner cannot sell services or equipment to other project partners at a profit.

- 10.10 Innovate UK may appoint an auditor, at our expense, to ensure you are complying with the terms and conditions of this agreement. You agree to give the auditor or person nominated by UKRI, access to your project records within 2 weeks' notice of their appointment.

If the auditor determines that all or part of the grant has been misapplied or that you should repay all or part of the grant to Innovate UK, we may recover the cost of the auditor's work from you.

- 10.11 Innovate UK will not make payment for project costs that you are already in receipt of, whether from Innovate UK (in a separate project award) or any other funding organisation.

In the event that separate funding has been awarded for costs associated with the same project deliverables it is the responsibility of you, to notify Innovate UK and any other funding organisation. This will allow the awarding organisations to agree who should fund the relevant costs.

If you are found to be claiming duplicate project costs whilst in receipt of separate funding ('double dipping') Innovate UK will consider terminating the project. Innovate UK will then recover all project costs and where there is evidence of dishonesty (Fraud Act 2006), referring the matter to the Police.
